ADVENTURES IN GLASS VISIONING

SUMMER CAMP

Fire Glass Studio invites kids from 6-15 to come and explore the world of Glass Art Visioning at one of the top Visual Art studios in Southern California. In this exciting two-week Summer Camp program our "Adventurers" will:

- Learn about glass-fusion techniques.
- Learn how to work with ceramics and acrylic paints.
- How to work with artist tools such as brushes, saws, grinders, kilns and polishers.
- Learn how to combine paint, wood, glass and other media into works of art.
- How to take their "Creative Vision" from their imagination, to paper, and then create stunning one-of-a-kind art they can treasure forever.

only **\$390.00**

for the whole two-week program!
